

I-5 CORRIDOR IMPROVEMENTS

I-5 EMPIRE PROJECT

April 19 - 24, 2015

Construction activities and closures are subject to change.

CONSTRUCTION ACTIVITIES

Work will occur during daytime hours unless otherwise noted.

- **Northbound I-5 Soundwall Removal and Reconstruction:** Beginning the week of April 20, crews will remove and reconstruct a section of soundwall along northbound I-5 between Jackson Street and Keystone Street. Removal of the wall will take one night and will occur April 22-23. Construction of the new wall will begin immediately and continue through August 2015. Most work will occur during the day from 7 a.m. to 4 p.m. [For more information click here.](#)
- **Leland Way Soundwall Removal and Reconstruction:** Beginning the week of April 20, crews will remove and reconstruct the soundwall along northbound I-5 adjacent to Leland Way. Removal of the wall will take one day. Construction of the new wall will begin immediately and continue through June 2015. [For more information click here.](#)
- **Empire Avenue Interchange/Undercrossing:** Through the end of April, crews are installing metal plates and beams for shoring on the southbound I-5 shoulder near the old San Fernando tunnel. The work is necessary to construct the new Empire Avenue interchange. This operation is now occurring during the day, 7 a.m. to 4 p.m. Residents may notice some noise and/or vibration while this work is underway.
- **Lincoln Street/Victory Place Improvements:** Signal work. Lincoln Street is now OPEN at Victory Place.
- **Temporary Railroad Tracks:** Drilling and installation of metal plates for the shoring wall needed for the temporary tracks by Empire Avenue. There may

be some noise and vibration during both night and daytime hours.

- **Retaining Wall/Soundwall Work (excavation, concrete pours):** Work will occur at the following locations:
 - Near the southbound I-5 Empire Avenue on- and off-ramps
 - Old Southbound Scott Road off-ramp
 - South of Buena Vista Street
 - Southbound I-5 Buena Vista on-ramp
- **Buena Vista Street Bridge:** Demolition operation. Some night work.
- **Utility Relocation:** Crews will be working on San Fernando Boulevard near Grismer Avenue.
- **Concrete Recycling:** Crushing of concrete near the old Scott Road off-ramp (day and night work).

CLOSURES & DETOURS

- Up to three lanes of northbound I-5 between Burbank Boulevard and Buena Vista Street from 10 p.m. to 6 a.m.
- Up to two lanes of southbound I-5 between Hollywood Way and Buena Vista Street from 10 p.m. to 6 a.m.
- Intermittent daytime closures on Victory Place near Empire Avenue. Flaggers will ensure that traffic flow is maintained in both directions.
